Parish Council Meetings Suspended

As a result of the Covid 19 pandemic, we have decided to suspend our monthly meetings until Wednesday 15th July 2020. We have taken advice from the National Association of Local Councils and concluded that this is the responsible and correct thing to do.

At our last meeting on 18th March we tried to ensure that our house was in order for the foreseeable future and Churt Parish Council will continue to function. Central government is exploring ways that we could legally hold "virtual" meetings using technology. We are being updated on a daily basis.

Our main priority at present is to do all we can to support the Churt Community Support Group which will help those in need during this difficult time.

The next meetings of the Churt Parish Council and Recreation Ground Trust are scheduled to take place on Weds 15th July 2020 in the pavilion at 7.30pm
