

Grayshott
Gigabit

**STRUGGLING
WITH YOUR
INTERNET SPEED
AND POOR WI-FI?**

Grayshott Gigabit
is launching Gigabit Speeds
(1,000 Mbps)
over full fibre to your Home and
Business. We are covering East
Hampshire and Waverley Areas.

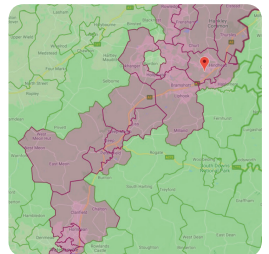

**Phase 1 Planning is underway, and build
is scheduled to start in Summer 2021.**

Phase 1 will encompass Grayshott, Hindhead,
Beacon Hill, Headley Down and Headley.

We are now looking at our Phase 2 and Phase 3 Areas:

**GU8, GU10, GU26, GU27, GU30, GU31,
GU32, GU33, GU34, GU35, PO7, PO8**

If you currently reside in any of our target areas above, and are getting below 100Mbps, take advantage of the government's gigabit initiative, please register with **No Obligation** via our website, phone or email.
